## HOW TO ACCESS INTEREST PAID

This brief tutorial will walk you through how to access the previous year's interest paid on accounts in Digital Banking.

Please note: if using a mobile device, use "full site mode."

From the home screen of Digital Banking, select the **Accounts** tab in the blue banner.

From the drop-down menu, click **Account Activity**.

From the Account Activity page, select the loan account from the **Account History** drop-down.
