

PENNY JAR CONTEST - RULES

The entrant who guesses closest to the dollar amount of pennies in the jar will win the contents of the penny jar.

Entrants must be under the age of 18, and parents/guardians giving permission for their child to participate can fill out an entry sheet with their child's name, current age, and dollar amount guess in addition to a parent/guardian name and phone number.

Odds of winning depend on number of eligible entries received. Limit one entry per child. No purchase necessary and entrants need not be members to participate. Children related to CFCU employees or volunteers are not eligible to participate. The parent/guardian of the winner will be notified by April 27, 2017.
